***No Limit Texas Hold 'em Tournament Format:** Upon registration, all attendees will receive 500 chips for the night. Tournament players will "pay" 200 chips to participate in the Texas Hold 'Em Tournament. Because seating for the tournament is limited, tournament sign-up will be available on a first-come/first serve basis. Two tables (20 players) will merge into one Championship table with blinds increasing periodically. Top three finishers will receive tickets to be used in the evening's raffle.

Cancellation Policy: Due to increased burden to the Association, "no shows" will be billed \$35/per person. If you are unable to attend, you must call the PMSMCA office no later than **48 hours** prior to event and no cancellation fee will apply.
