# GREEN MOVEMENT & PLUMBING PRODUCTS

BY JOE HERKOWSKI (HERKOWSKI SALES)

THURSDAY, AUGUST 13, 2009

2:00 PM—4:00 PM

Midway Hotel

1005 S. Moorland Road

Brookfield, WI

2 CEUS- MASTER PLUMBERS & JOURNEYMEN PLUMBERS

Green plumbing techniques and products continue to saturate the marketplace.

This seminar will discuss new water conserving products within the plumbing landscape for both residential and commercial plumbing. It will address changes that have been made and what you can expect to see down the road. The course will also cover LEED points and how they are applied within water conservation.

PMC members \$20/per person
